

The Healing Water: Effective Usage

"The Healing Water" is the ultimate water into which all forms of positive energy have been sealed using a wide range of proprietary expertise. Water is said to be the most efficient substance in existence for transmitting information. Therefore, we ask that you use this water with a pure heart and mind.

[Specific Usage]~ "Transferring the Power of Words (Energy) into the Water"

Words possess energy, traditionally referred to in Japan as "Kotodama" (the spirit of language). When using this water, please speak the following types of words toward the bottle, then shake well to ensure the water and aroma oils are thoroughly mixed.

· Example: Chanting in the "Past Perfect" or "Resultant" form:

- My body has become resilient and does not receive shedding associated with COVID-19 vaccines.
- Physical discomfort caused by shedding (coughs, pain, etc.) has vanished instantly. Thank you.
- Physical and mental stress has disappeared.
- My mental worries have been resolved. (With Gratitude)
- Note: Making your words as specific as possible will increase effectiveness.

【Where to Spray】

- Crown of the head (7th Chakra) ● Back of the neck (Medulla oblongata / Jade Pillow) ● Face and Inside the mouth/ Both arms and other areas of concern on the body
- The space surrounding yourself

Caution:

As "The Healing Water" is extremely sensitive, please do not share one bottle among multiple people. It should be used on a "one bottle per person" basis.

Storage and Expiration:

- ★ The base material is purified water treated with a "Genki-up W." filter, supplemented with pure gold ion water, and subjected to 24-hour negative ion (electronic water) processing. Furthermore, it is charged with "Qi energy" using a "Qi Energy Generating Machine" and the "Daianxin Mark Sticker," making it resistant to degradation

【Storage】 During summer (June–September), please store in a refrigerator or a cool, dark place.

【Expiration】 ⇒ No strict date is set, but as a health product, please consider it to be about 2 years. (Store in the refrigerator during hot summers).

After Opening: We recommend consuming the product within approximately 6 months of opening.
